BACKGROUND

The Tri-Municipal Larchmont - Mamaroneck Cable TV Board of Control was organized by the Villages of Larchmont and Mamaroneck and the Town of Mamaroneck to administer the cable TV franchise agreement (effective Dec. 3, 1980 through Dec. 31, 1993 and extended through Temporary Operating Authorities granted by the New York State Commission on Cable television) with TCI Cable of Westchester (doing business as UA-Columbia Cablevision of Westchester) pursuant to the CATV Sharing Agreement. On September 25, 1996 a new franchise agreement was signed with TCI and on March 3, 1998 Cablevision (currently Optimum) purchased TCI and became the cable provider for the tri-municipalities on channels 75, 76 & 77. In December, 2007 a franchise agreement was signed with Verizon Corporation to provide cable TV service on Verizon channels 36, 35, & 34 (corresponding to Cablevision's, currently Optimum's, 75, 76 & 77), giving the municipalities a competitive choice of cable providers for the first time. Jerry Barberio, the Administrator for the Board of Control, is the direct liaison with Optimum and Verizon for the three communities handling all complaints and recommendations.

The Board of Control is responsible for the administration of the franchise agreements, including the collection and disbursement of franchise fees from Optimum and Verizon. The franchise fees—paid by subscribers as part of their monthly bills for cable TV—represent 5% of the gross operation revenues for cable television of Optimum and Verizon subscribers in the tri-municipal region. The franchise fees support the operations of the Board of Control and provide the primary support for Larchmont - Mamaroneck Community Television, Inc. (LMCTV). The Board of Control holds the lease agreement with the Mamaroneck Union Free School District and the Rye Neck Union Free School District for the television equipment provided by the franchise agreements and the access center facilities located there. A two-thirds negative vote by the three municipal government boards can overrule any action taken by the Board of Control. The Board of Control is composed of one elected official from each of the three municipalities, an administrator, and a treasurer.

The Advisory Committee of the Board of Control advises the Board on cable matters affecting our communities. This includes technical, legal, programming, financial, subscriber and insurance matters relating to the franchise agreement. The Committee is to report to the Board of Control semi-annually.

The LMCTV Board of Directors sets policy and is responsible for the operation of the access centers and for programming Optimum channels 75, 76 & 77 and Verizon Channels 36, 35 & 34 in the community interest. The LMCTV Board of Directors is composed of members selected from the community by the LMCTV Board of Directors. The LMCTV Board of Directors submits the annual LMCTV operating budget to the Board of Control for approval.

PHILOSOPHY

LMCTV is a non-profit membership organization open to all members of the community. LMCTV programs Optimum Channels 75, 76 & 77 and Verizon Channels 36, 35 & 34 in the community interest for Larchmont and Mamaroneck, NY. LMCTV aims to heighten community awareness and increase community participation through the making and viewing of local television, and to encourage programming reflecting the concerns, interests and activities of our community.

OBJECTIVES

- Operate community access television facilities for the use of the people of the Villages of Larchmont and Mamaroneck and the Town of Mamaroneck.
- Offer production training classes.
- Encourage local people to produce and promote their own community television programs.
- Produce community programs.
- Cablecast town and village board meetings and school board meetings on channels 76/35.
- Cablecast community television programming on channels 75/36, 76/35 and 77/34.
- Raise funds to support community programming and broaden awareness of the LMCTV philosophy and programming.
- Maintain high quality facilities and community-friendly production equipment within an affordable budget (based upon franchise fees and fund-raising income).
- Provide a community information system in case of emergency.
- Expand and strengthen ties to existing community organizations.
- Be available to the Board of Control to report and comment on matters of cable TV regulation and utilization and to participate in cable franchise negotiations.
- Publicize the program schedule and LMCTV programs and events.

GOALS

- Expand and enhance LMCTV's identity throughout the three communities in which we serve.
- Expand and enhance programming in order to serve all facets of the community.
- Bring new people and community groups into LMCTV and increase membership base.
- Strengthen the relationships between LMCTV and the Mamaroneck and Rye Neck School Districts, the Mamaroneck and Larchmont Libraries and the Emelin Theatre for the Performing Arts.
- Explore emerging communication technologies in order to better serve the community.
- Expand all our services to the community to the best of our ability.

President's Report 2018

This has been a year of finally settling down after a period of time. New Executive Director Matt Sullivan began the successful process of re-organizing our staff and operations. Matt and Dena Schumacher, in her expanded role as Assistant Director, focused their marketing skills by reaching out to the community to increase awareness of our services.

After several years of strenuous effort from many, we have reluctantly abandoned our dream of re-locating to the Mamaroneck Village owned Hook and Ladder Firehouse. It became obvious that the economic and political climate was not conducive to the move. Many thanks to the Village officials who supported our efforts; and a special thank you to our Assemblyman Steve Otis for his guidance and efforts.

2018 saw the remodeling of our headquarters in the Town Center, thanks to the graciousness of Town Administrator Steve Altieri and Supervisor Nancy Seligson and the entire Town Council.

In 2019, we will concentrate our energies to strategic operations and marketing. We have retained the services of The Buske Group to conduct a strategic plan and online community survey to examine our mission and our place in our tri-municipality. Sue Buske will come from California to conduct a number of surveys and meetings with staff, the LMCTV Board of Directors, the public, and municipal officials. This will also help support our negotiations for the next franchise agreement in a couple of years from now.

We appreciate the support of the Board of Control and its members Tom Murphy (Village of Mamaroneck), Abby Katz (Town of Mamaroneck), and Carol Casazza Herman (Village of Larchmont).

We look forward to much progress in 2019!

Respectfully submitted,
Jefferson D. Meighan, President
LMCTV Board of Directors

Management Report 2018

2018 was a year of change for LMCTV. We saw the consolidation of our operation into the Town of Mamaroneck Town Center, the retirement of long-time CEO Erik Lewis, upgraded equipment and facilities, and the introduction of potential federal rule changes that create an unstable environment for community media center funding across the country.

The changing pace of media has been an exciting challenge to tackle and with the help of staff, Board Members, volunteers, and community producers, LMCTV engaged in various activities outside the realm of our studio. Working with community members at local events became a prime focus for the organization, as well as multiple partnerships with our local governments and non-profit organizations.

LMCTV looks to continue its marketing and outreach efforts through the implementation of monitors strategically placed around the community with LMCTV content and promotion of local events. We are in the planning and design stage for the purchase of a mobile broadcast van that will allow live programming from Varsity Sports games, community parades and fairs, and educational outreach. Our goal of “Building Community Through Media” is something we are poised to do in 2019 and beyond. With the impending decision being made about rule changes at the FCC, we look to our community support which has connected us for the past 36 years and counting.

The Local Live - *The Local Live* is the weekly community news show on LMCTV, offering live viewer interaction in roundtable discussions, municipal and school board meeting news packages, sports highlights, local business spotlights and more. In total, 41 shows were aired in 2018; the highlight being the last show of the year, which was a review of the best moments. These included continued access to elected officials, coverage of the annual Tiki Invasion, broadcasting live at a vigil at Harbor Island Park, and thanking all of the people who have made *The Local Live* possible.

Former Senior News Producer and TLL co-creator, Sheyla Navarro and Assistant News Producer Cat Galeano both exited their roles in 2018. Executive Director and TLL co-creator Erik Lewis retired in 2018. Both Sheyla and Erik were instrumental in the creation of the show over five years ago. Navarro was replaced by current Senior News Director, Sibylla Chipaziwa. The show was led by Chipaziwa and Assistant News Director Sebastian Hall, along with volunteer producer and hosts Maura Carlin and Michael Witsch. Executive Director Matt Sullivan and Assistant Director Dena Schumacher also attended weekly news meetings to discuss segments on the program.

2018 was a year where a shift in focus occurred: facing lower viewership, how could this show survive, and be better known in the community? Should there be more attention on our social media presence? How do we build engagement, and bring back interaction on the live round table segment, the centerpiece of the show? The key may lie in answers following a community survey LMCTV launched in April, 2019.

Management Report 2018 (Continued)

LMCTV Varsity Sports - Under the leadership of Community Sports Producer Rob Moretti, LMCTV produced 69 local sports contests with the assistance of part-time videographers and commentators. Additionally, Rob coordinated with the NFHS Network to produce live coverage of the New York State Quarterfinals in Field Hockey in November, of which Mamaroneck High School's varsity team was a participant. Rob also continued to produce regular sports segments for *The Local Live*.

Programming on LMCTV - Programmer Stephen Aluisa has worked with LMCTV staff, volunteers, and local producers to bring video content to the Larchmont, Mamaroneck and Rye Neck communities using LMCTV's state of the art playback system designed by Tightrope Media Systems and DNR Laboratories. The system is capable of streaming live HD content over the LMCTV.org website. The addition of Cablecast's "Screenweave" Channel has also made it possible for viewers with APPLE or ROKU TV's to watch LMCTV channel streams and curated programming.

Studio Production - Under the leadership of Assistant Director Dena Schumacher and studio staff member Sean Kelly, LMCTV's studio was reserved for use 224 times. Conference rooms were booked 84 times, 36 "Green Room" bookings, and 425 field camera bookings. DSLR cameras were purchased through the generous donations made to our community mural. "Election Night" was replaced by an award winning documentary about Voting in Westchester, featuring officials from the county as well as leaders of Westchester based groups. 8 students participated in LMCTV's Summer Filmmaking Workshop led by Dena Schumacher and assistant instructor Sean Kelly. The students wrote, produced, acted, directed, and edited the short film "Muscle Man," about a superhero in search of his life's purpose after the world no longer needs a strong man. The film was recorded at the Mamaroneck Town Center with a special guest appearance by Town Supervisor Nancy Seligson.

Community, Government and Afterschool Clubs - Under the leadership of Community and Government Production Manager Christina Carino-Forrest, LMCTV covered 169 LIVE municipal and school board meetings in 2018. That number has increased by 25 meetings from 2017, due to Town and Village of Mamaroneck requests for additional coverage of land use boards and live coverage of all Village Board work sessions. LMCTV upgraded all of our municipal A/V equipment in the 3 court rooms to full HD cameras and systems. 4 training sessions were held for our part time crew to learn the new equipment.

Management Report 2018 (Continued)

(con't) 228 on-location programs were shot, produced and aired on LMCTV in 2018. 41 of those field produced programs were paid for by community members or local organizations. The amount of work has been steadily increasing over the past 3 years, enabling LMCTV to cover more community events with less cost to our organization, while employing local camera people to shoot them. In addition, Christina has gone on location to help shoot, produce, and edit news packages for *The Local Live*.

In 2018, LMCTV started to work with the New Rochelle Boys and Girls Club, which now manages the Mamaroneck Schools After School programs. In the spring of 2018, LMCTV ran 3 clubs with 34 students. In the Fall, LMCTV conducted 5 after school video clubs, teaching 53 grade schoolers the joy of media creation. In total, LMCTV ran 8 after school clubs in 6 grade level schools within 2 districts: Mamaroneck School District and Rye Neck School District, teaching a total of 87 young people. The number of clubs taught has doubled from last year.

Christina is a mentor for Judge Judy's "Her Honor Mentoring" program. LMCTV receives a mentee for the entirety of the school year, 4 hours a week, paid for by the "Her Honor" program.

Community Bulletin Board - Community Bulletin Board Manager and Office Manager Sharon Latimer Mosley created 544 informative community bulletins. Of the 544 bulletins, 194 aired on our public channel, 312 appeared on our municipal channel, and 38 were created for organizations and partnerships outside the immediate community.

Fundraising - Our 2018 Membership Drive raised \$20,239.67 in contributions. Award Night ads totaled \$4,418.75 and Corporate Underwriting added \$3,350.

Social Media & YouTube - Facebook users on the LMCTV & *The Local Live* pages totaled 1,625 likes. Twitter followers of LMCTV and Varsity Sports amounted to 1,661 with 660.8k impressions. Our YouTube channels amounted 30,500 views for LMCTV Productions, 19,500 for *The Local Live*, and 111,600 views for the Varsity Sports channel!

Respectfully Submitted,

Matt Sullivan, Executive Director LMCTV
